ADELIE CONSTRUCTION

Selection Deadlines Guide

Make decisions in construction order so products do not delay field work.

HOMEOWNER PLANNING TOOL

Project name: _____

Property address: _____

Date started: _____ Target start: _____

Use this workbook to organize questions and decisions before they become expensive field changes. It is a planning aid, not project-specific legal, design, engineering or code advice.

Plan and Verify

Cabinets and layout-dependent items

Windows and exterior doors

Appliances and ventilation

Coordinate the Work

Plumbing fixtures and valves

Lighting and electrical devices

Tile, stone and flooring

Document and Close Out

Paint, hardware and accessories

Approval owner for each item

Order, delivery and inspection dates

Questions for ADELIE

Use this space for decisions that require a site visit, drawings, trade input or a written proposal.
