

Kitchen Remodel Planning Workbook

A step-by-step workbook for layout, storage, appliances, finishes and construction preparation.

HOMEOWNER RESOURCE

Use this resource to organize decisions and prepare for productive conversations with your contractor, designer and local building department.

1. Define the Project

Property address	
Household decision-makers	
Target construction window	
Main reasons for remodeling	
Features that must stay	

2. Set Priorities

- Improve daily workflow and clearances
- Increase usable storage
- Add better task and ambient lighting
- Update appliances and ventilation
- Create durable, easy-to-clean finishes
- Improve accessibility or aging-in-place features

3. Layout Questions

- Where do groceries enter the kitchen?
- Can two people work without blocking each other?
- Do appliance doors open without conflicts?
- Is there landing space near the refrigerator, range and sink?
- Are trash, recycling and cleaning supplies located near the work zones?

4. Selection Tracker

Item	Preferred choice	Decision deadline
Cabinet style		
Cabinet finish		
Countertop		
Backsplash		
Flooring		
Sink / faucet		
Lighting		

Item	Preferred choice	Decision deadline
Appliances		

5. Contractor Meeting Checklist

- Confirm scope inclusions and exclusions
- Confirm allowance amounts and selection deadlines
- Ask how dust and access will be controlled
- Confirm permit responsibility
- Ask how concealed conditions and change orders are documented
- Confirm cleanup, inspections and final walkthrough process

Project Notes

Educational resource only. Costs, schedules, permit requirements and construction methods vary by property, scope and jurisdiction. Confirm project-specific requirements with qualified professionals and the applicable authority.
