

Remodel Permit Preparation Checklist

A practical list of information commonly needed before permit review.

HOMEOWNER RESOURCE

Use this resource to organize decisions and prepare for productive conversations with your contractor, designer and local building department.

Project Information

- Property address and assessor information
- Clear description of proposed work
- Existing and proposed floor plans
- Dimensions, room uses and opening sizes
- Structural details or engineering when applicable
- Energy, electrical, plumbing or mechanical documentation as required

Questions for the Jurisdiction

- Which permits and plan sets are required?
- Is plan review over-the-counter or full review?
- Are HOA or historic approvals separate?
- Which inspections will be required?
- Are utility or fire department reviews involved?
- How should revisions be submitted?
