

ADELIE CONSTRUCTION

Remodel Budget and Contingency Worksheet

Build a complete preliminary budget that separates construction, selections and reserves.

BUILT ON TRANSPARENCY. CRAFTED TO LAST.

1. Core Project Costs

Demolition / protection			
Framing / structural			
Plumbing			
Electrical / lighting			
HVAC / ventilation			
Drywall / paint			
Cabinets / millwork			
Tile / flooring			

2. Owner Selections

Appliances			
Fixtures / faucets			
Countertops			
Tile / flooring			
Lighting / hardware			
Glass / accessories			

3. Soft Costs and Other Expenses

Design / drafting		
Engineering		
Permit / agency fees		
Testing / surveys		
Storage / moving		
Temporary housing / meals		

4. Contingency

Consider a project reserve for concealed conditions, owner changes and price adjustments. The appropriate amount depends on scope, age of the home and how much is known before demolition.

5. Budget Decisions

Must-have items protected in the budget

Items that can be simplified if needed

Items excluded from this budget

Approval needed before spending contingency

Planning note: This document is an educational tool. Project-specific pricing, permits, code requirements and schedules must be verified for the property and scope.
