

ADELIE CONSTRUCTION

Preconstruction Home Preparation Checklist

Prepare access, belongings, pets, utilities and household routines before work begins.

BUILT ON TRANSPARENCY. CRAFTED TO LAST.

1. Access and Security

- Confirm entry method and working hours
- Remove valuables from work routes
- Confirm alarm procedures
- Identify parking and material staging
- Document keys / access codes
- Identify restroom access

2. Protect Belongings

- Empty cabinets and closets in work area
- Label stored boxes by room
- Arrange off-site storage if needed
- Move fragile items from adjacent walls
- Photograph rooms before work
- Protect items owner is keeping

3. Household Plan

- Plan temporary kitchen / bathing
- Discuss children and work zones
- Prepare for utility interruptions
- Arrange pet containment
- Plan work-from-home location
- Notify neighbors when appropriate

4. Project Records

- Final contract and scope saved
- Selection list complete
- Insurance / permits documented
- Approved plans available
- Emergency contacts shared
- Change-order approval process understood

5. Site-Specific Instructions

Items that must remain accessible

Areas that are off-limits

Special parking / HOA rules

Landscape or gate concerns

Health, dust or noise concerns

Other instructions for the project team

6. Day-Before Check

- | | |
|--|---|
| ■ Path to work area is clear | ■ Refrigerator / laundry plan confirmed |
| ■ Owner-supplied materials are on site | ■ Pets and vehicles are secured |
| ■ Photos taken of existing conditions | ■ Primary contact is reachable |

Planning note: This document is an educational tool. Project-specific pricing, permits, code requirements and schedules must be verified for the property and scope.
