

Final Walkthrough Checklist

Inspect the completed work systematically and document remaining items clearly.

HOMEOWNER RESOURCE

Use this resource to organize decisions and prepare for productive conversations with your contractor, designer and local building department.

General

- Compare completed work with plans, scope and approved changes
- Test doors, drawers, locks and hardware
- Review paint, caulk, grout and finish transitions
- Confirm debris and protective materials are removed
- Photograph any remaining correction items

Kitchen & Bath

- Run faucets and check drainage
- Test hot water and fixture controls
- Operate appliances and exhaust fans
- Test GFCI-protected receptacles
- Inspect cabinet alignment and countertop seams
- Review shower glass, waterproof transitions and sealant

Closeout Documents

- Final inspection approvals when required
- Product manuals and warranties
- Paint colors and finish schedules
- Keys, remotes and access codes
- Final lien releases when applicable
- Written punch-list completion confirmation

Project Notes

Educational resource only. Costs, schedules, permit requirements and construction methods vary by property, scope and jurisdiction. Confirm project-specific requirements with qualified professionals and the applicable authority.
