

Living Through a Remodel Checklist

Prepare your household for dust, noise, access changes and temporary routines.

HOMEOWNER RESOURCE

Use this resource to organize decisions and prepare for productive conversations with your contractor, designer and local building department.

Before Work Starts

- Photograph rooms and valuables
- Remove fragile, sentimental and high-value items
- Set up a temporary kitchen or bathroom plan
- Discuss working hours and access
- Plan for pets, children and work-from-home needs
- Notify neighbors when appropriate

Daily Routine

- Keep pathways clear
- Do not enter restricted areas
- Review questions through the agreed communication channel
- Expect short utility interruptions when coordinated
- Keep selections and approvals current
- Report concerns promptly rather than waiting

Health & Comfort

- Discuss dust containment and ventilation
- Replace HVAC filters as recommended
- Protect food and personal-care items
- Plan quiet locations away from active work
- Consider temporary housing during the most disruptive phases

Project Notes

Educational resource only. Costs, schedules, permit requirements and construction methods vary by property, scope and jurisdiction. Confirm project-specific requirements with qualified professionals and the applicable authority.
