ADELIE CONSTRUCTION

Bathroom Budget Worksheet

Build a complete bathroom budget without overlooking the work behind the finishes.

HOMEOWNER PLANNING TOOL

Project name: _____

Property address: _____

Date started: _____ Target start: _____

Use this workbook to organize questions and decisions before they become expensive field changes. It is a planning aid, not project-specific legal, design, engineering or code advice.

Plan and Verify

Demolition and disposal

Plumbing and electrical rough-in

Waterproofing and tile labor

Coordinate the Work

Vanity, top and storage

Fixtures, valves and accessories

Lighting, ventilation and mirrors

Document and Close Out

Permit and design costs

Temporary-use arrangements

Contingency for hidden conditions

Questions for ADELIE

Use this space for decisions that require a site visit, drawings, trade input or a written proposal.
