ADELIE CONSTRUCTION

Living Through a Remodel Checklist

Prepare your household for dust, noise, limited access and temporary routines.

HOMEOWNER PLANNING TOOL

Project name: _____

Property address: _____

Date started: _____ Target start: _____

Use this workbook to organize questions and decisions before they become expensive field changes. It is a planning aid, not project-specific legal, design, engineering or code advice.

Plan and Verify

Define the construction-free living zone

Plan temporary cooking or bathing

Protect valuables and electronics

Coordinate the Work

Confirm work hours and deliveries

Arrange pet and child safety

Plan for utility interruptions

Document and Close Out

Set up mail and package access

Choose one daily communication channel

Review emergency contacts and exits

Questions for ADELIE

Use this space for decisions that require a site visit, drawings, trade input or a written proposal.
