ADELIE CONSTRUCTION

Remodeling Contracts and Payments Guide

Review scope, payments and change controls before signing.

HOMEOWNER PLANNING TOOL

Project name: _____

Property address: _____

Date started: _____ Target start: _____

Use this workbook to organize questions and decisions before they become expensive field changes. It is a planning aid, not project-specific legal, design, engineering or code advice.

Plan and Verify

Contractor identity and license

Detailed scope and exclusions

Allowances and owner purchases

Coordinate the Work

Start and completion expectations

Progress payment milestones

Change-order authorization

Document and Close Out

Insurance and site protection

Warranty and dispute terms

Final inspection and lien releases

Questions for ADELIE

Use this space for decisions that require a site visit, drawings, trade input or a written proposal.
