ADELIE CONSTRUCTION

Whole-Home Budget Worksheet

Separate construction, selections, professional costs and contingency.

HOMEOWNER PLANNING TOOL

Project name: _____

Property address: _____

Date started: _____ Target start: _____

Use this workbook to organize questions and decisions before they become expensive field changes. It is a planning aid, not project-specific legal, design, engineering or code advice.

Plan and Verify

Demolition and structural work

Kitchen and bathroom scopes

Electrical, plumbing and HVAC

Coordinate the Work

Windows, doors and insulation

Flooring, paint and finish carpentry

Design, engineering and permits

Document and Close Out

Appliances and owner purchases

Temporary housing and storage

Contingency and uncommitted reserve

Questions for ADELIE

Use this space for decisions that require a site visit, drawings, trade input or a written proposal.
