

Final Walkthrough and Punch List

Use a room-by-room process to document incomplete, damaged or adjustment items before final acceptance.

Use this worksheet as a planning aid. Project requirements, pricing, permits and schedules vary by property and jurisdiction. Verify decisions with qualified professionals before construction.

Walkthrough Method

Move slowly through each room. Test operable items. Describe each issue clearly, photograph it and assign responsibility and target date.

Item Log - Room 1

Room or area:

Item number:

Description:
