

Remodel Budget and Contingency Worksheet

Build a preliminary budget that separates construction, selections, soft costs and reserve funds.

Use this worksheet as a planning aid. Project requirements, pricing, permits and schedules vary by property and jurisdiction. Verify decisions with qualified professionals before construction.

Construction Scope

Demolition and protection:

Framing and structural work:

Plumbing:

Electrical:

HVAC:

Drywall and paint:

Cabinetry and millwork:

Tile and flooring:

Other construction:

Owner Selections

Appliances:

Plumbing fixtures:

Lighting fixtures:

Countertops:

Tile and flooring materials:

Hardware and accessories:

Soft Costs

Design or architecture:

Engineering:

Permit and plan-check fees:

Testing or special inspections:

Temporary storage or housing:

Contingency

A contingency is not extra spending money. It is a reserve for concealed conditions, code corrections and approved owner changes.

Base project total:

Contingency percentage:

Contingency amount:

Total planning budget:

Budget Guardrails

- ☐ Separate must-haves from optional upgrades
- ☐ Confirm whether taxes, delivery and disposal are included
- ☐ Do not spend contingency before construction begins
- ☐ Update the worksheet whenever scope changes
